Why SR RESIN STUDIO EXISTS

*Preserving Today's Memories for
Tomorrow's Generations.*

SR Resin Studio was founded on the belief that life's most treasured memories deserve more than a place in a drawer or a photo album.

Whether you're celebrating the beginning of a new life, honoring someone you've lost, remembering a beloved pet, or preserving a once-in-a-lifetime milestone, every keepsake is handcrafted with compassion, care, and respect.

Some pieces
celebrate joy.

Some preserve
a legacy.

Some offer
comfort during grief.

EVERY ONE DESERVES TO BE REMEMBERED.

Every keepsake tells a story, and it is my *privilege* to help preserve yours for generations to come.

— *Suzanne Rankin*
FOUNDER, SR RESIN STUDIO

*Because some memories can never be replaced...
every keepsake deserves extraordinary care.*

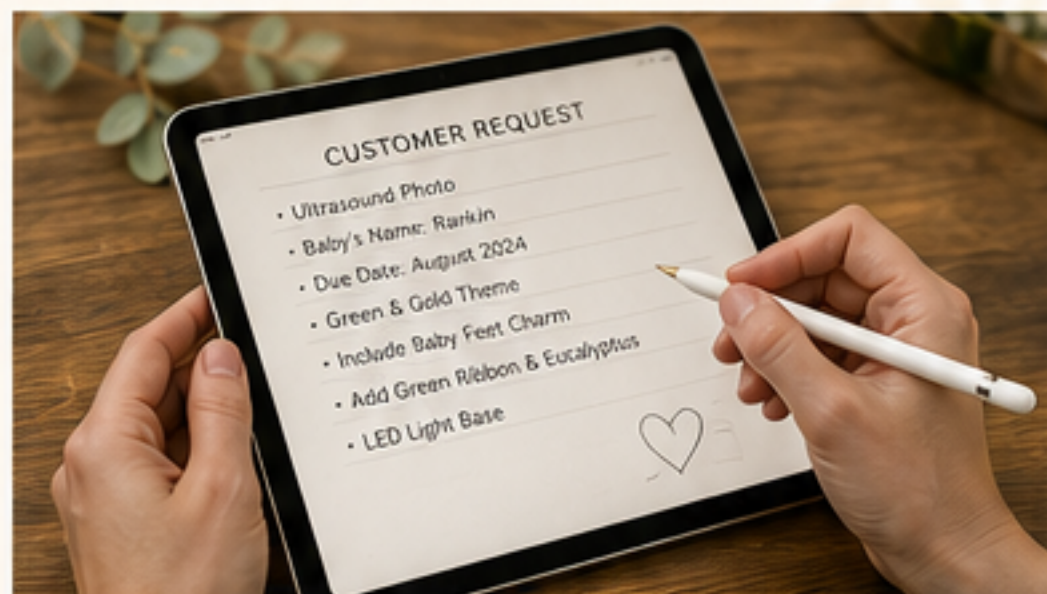

FROM MEMORY TO KEEPSAKE

THE JOURNEY OF EVERY HANDCRAFTED CREATION

YOUR KEEPSAKE'S JOURNEY

Every keepsake is individually handcrafted through multiple stages over several days.

While each design is unique, every piece receives the same attention to detail, quality, and care from beginning to end.

1 WE LISTEN

Every keepsake begins with a conversation. We listen to your story, your ideas, and the details that matter most. Together, we'll create a keepsake that reflects the memories, people, and moments you wish to preserve.

2 WE PLAN

Photographs, names, dates, handwriting, dried flowers, cremation ashes, pet ashes, locks of hair, hospital bracelets, jewelry, baby keepsakes, military memorabilia, and other meaningful mementos are carefully incorporated into each design.

Every keepsake follows its own unique process.

3 WE CREATE

Premium resin is carefully measured, mixed, poured, monitored, and allowed to cure over several days. Depending on the design, embellishments may be placed before the first pour, between layers, or during the final finishing stages.

This process cannot be rushed.

4 WE PERFECT

Each keepsake is carefully demolded, hand-sanded, polished, and refined. Depending on the design, gold edging, additional resin layers, embellishments, and protective feet are added to create a lasting heirloom.

5 WE PROTECT

Every keepsake is carefully inspected before being thoughtfully packaged for its journey home.

Some keepsakes include irreplaceable items such as cremation ashes, pet ashes, locks of hair, dried flowers, handwritten notes, jewelry, hospital bracelets, military keepsakes, and other cherished mementos.

EVERY ITEM ENTRUSTED TO SR RESIN STUDIO IS HANDLED WITH THE DEEPEST RESPECT, COMPASSION, AND CARE THROUGHOUT EVERY STAGE OF THE CREATION PROCESS.

BECAUSE EVERY KEEPSAKE TELLS A STORY WORTH PRESERVING. ♥
